## With You - C

Sorensen

C C I'll be in the river, I'll be in the river Am F C Where all my fear and burdens drift away Am F C And every scar I have will finally fade
C C  I'll be in the sunlight, I'll be in the sunlight  Am F C  Where joy will bloom like flowers of the field  Am F C  We're wounded now, in time we will be healed
CHORUS G/B Am With You, With You F C Our broken hearts will be made new G/B Am With You, Jesus You F G C Forever we will be home with You
C The tears that we remember, will not be remembered  Am F C When morning breaks and burns away the night  Am F C Our tears will turn to diamonds in the light
CHORUS G/B Am With You, With You F C Our broken hearts will be made new G/B Am With You, Jesus You F G C Forever we will be home with You
BRIDGE: G7/B Am F C G7/B Am F C G7/B Am F C G7/B Am F G C

C
The promise that we long for, the hope we've waited long for Am F C
When all the wounded world will be remade Am F C
We'll stand there together on that day
